Marburn Academy ... I didn't know they did that!

Roberta, a management professional, public speaking, and high-level academics are familiar school activities to most parents. But Marburn Academy is an integral part of the experience. Marburn Academy is a college preparatory school for the most gifted students with ADHD and/or learning disabilities. Marburn students are highly creative, energetic, caring, funny and thoughtful. Just like other students, but because they are a different kind of student.

Marburn offers 1000+ hours of enrichment activities in the areas of mathematics and science. Marburn is one of only 10 schools nationwide that has been awarded the National Science Foundation's highest award for science education.

Marburn Academy is a unique organization, self-managed and self-administered. It is a school of all ages, from young children to adults. Marburn students are highly motivated and have a strong sense of responsibility. Marburn Academy is a place where students are encouraged to take ownership of their learning. Drama Kids: More than just an act

Building the upper echelons of a "Drama Kids" program is a challenge. It's not just about teaching acting techniques, it's about teaching life skills. Drama Kids is a program that teaches children the art of drama, but also teaches them the art of life.
